JACKSONVILLE

**COUNCIL**

**Voters in Jacksonville have a chance to shape the future of the City with their vote on August 30<sup>th</sup>.**

Voting yes means a dedicated source of funding — with no additional tax burden — will pay down the unfunded liability that has crippled City budgets for years. No other proposal provides a committed resource that cannot be used for any other purpose.

We can put this issue behind us and set a positive course of Jacksonville's future financial health.

Yes for Jacksonville will level the playing field for future pension benefits so we don't find ourselves in this situation again.

**Voters have an important choice to make on August 30<sup>th</sup>.**

You can tell our elected leaders to dedicate revenue to pay for this debt.

No other proposal gives you the power to make that decision.
